- Login button takes you to Home screen, assuming you have already created your timetable
 - Sign Up button skips Home screen and takes you to Your Units, as it is your first time using the app and you need to create your timetable
- Gemma

MAIN FLOW (i.e. if you keep clicking enter/next on every screen)

★ Your Units > Find Friends > Add Time Slots > Customise Timetable > Your Timetable

NOT IN MAIN FLOW: Friends List, What you share, Settings (access through home page) Callum/Rajat

EXTRAS

All screens:

- Back button, Home button, Settings button are functional on all screens

Find Friends:

- Add button momentarily takes you to Request Sent! screen, before returning to Find Friends
- Tick button momentarily takes you to You have (number) friends! screen, before returning to Find Friends
- Tap anywhere on the screen (not a button) to display what happens if any entry is invalid

Add Time Slots:

- Unit, Type, and Day dropdown menus are functional
- Tap anywhere on the screen (not a button) to display what happens if any entry is invalid

Your Timetable:

- Blue button under ELEC1005 Lab (ONLY) takes you to Change Timetable screen
- Tap anywhere on the Change Timetable screen (not a button) to return to Your Timetable screen

Friends List:

- Tap on the blue calendars (all working) to go to Friends Timetable, back button to return to Friends List

Settings:

- Tap on Appearance to go to Add some colour screen (no dropdown menus work here!), back button to return to Settings
